Notes about the Author: My name is Richie Summerville and this is the tenth year that I have calculated the RPI for Division One women's basketball and eighth for the WBCA. I work for ESPN Radio 1310 in Virginia Beach, Virginia where I am the producer for the Old Dominion Lady Monarchs radio broadcasts. Great thanks go to Lady Monarchs head coach Wendy Larry who gave me the inspiration to start this and I hope those of you viewing these pages find the information useful.

Sincerely
Richie Summerville

ADJUSTED RPI for HOME AND ROAD GAMES

The RPI Rankings that are calculated for men's basketball now carry a specific weight for home and road games. This is how the WBCA RPI would look if that adjustment were used. After the team name that column contains the adjusted RPI number. The second is the ranking for the current RPI. The third has the current RPI number and then the fourth the difference between column two and four. (more below)

Under what is termed the current RPI all wins are counted the same. Win a game, a one (1) is placed in the win column. Under the men's system a home win counts six tenth's (0.6) instead of a one. A road win counts as 1.4 win's. A home loss counts as 1.4 losses and a road loss counts as six tenth's (0.6) of a loss. Neutral court games count as a one for a win or loss.

The Conference RPI is calculated using all division one games except those played against independents. This ranking is used to compare conferences. Since independents, by their own circumstances, are not part of a conference and not officially combined as a group their games cannot be used. Games played by conference members that are not counted in the league standings are not used in this calculation. The complete non-conference record is shown above. The Conference RPI Average is the average of all RPI's within a given conference. This ranking is provided to show a contrast between that and the Conference RPI.

REGULAR SEASON NON-CONFERENCE STRENGTH OF SCHEDULE RANKING (as of Feb. 23, 2005)

This ranking is based on the combined records of a teams division one non-conference schedule.

This includes the records of non conference games that have not been played yet.
