

About the Betty F. Jaynes Internship Program

As a tribute to Betty F. Jaynes and all of the work that she has done to create opportunities in the field of women's basketball, the Internship Program provides qualified individuals with meaningful experience in the world of women's sports.

The endowment covers the costs associated with seven WBCA internship positions. These internships average five months in length, running from December to April, and include projects within the Events Department, the Communications and Awards Departments, the Marketing & Membership Departments and WBCA Pink Zone®. All interns participate in the annual WBCA National Convention, held annually in conjunction with the NCAA® Women's Final Four®.

This is a great way to promote the futures of young students who want to dedicate their lives to working in the field of women's sports!
