

Women's Basketball Coaches Association
Division III Conference Captains In-person Meeting
Minutes/News & Notes of Monday, April 3, 2006

- I. Welcome by Doug Bruno, President of the WBCA
- II. Sign in sheet
- III. Beth Bass presented her CEO report including an update of the Convention Highlights, and a marketing report highlighting contract renewals of several sponsors of the WBCA.
- IV. A discussion of the Captains Involvement with the WBCA Awards Program resulted in a couple recommendations of perhaps allowing SID's to nominate, but to also make sure coaches are receiving the notices. (Some institutions may have filters in place that do not allow the mass mailings to get through). Betty Jaynes and Amy Lowe also gave insight into making sure coaches nominate for the various awards—Division III often has outstanding candidates. Pam Ruder also asked if the conferences that are spread over different regions, be able to nominate someone that is in their conference, but outside of their region.
- V. The WBCA is ready to unveil it's Code of Ethics and Sexual Misconduct policy and procedures—it will be available on the WBCA web page this Spring.
- VI. Pam Ruder went through the Conference Captains roster with terms to encourage participation in the May 8th conference call, where we will be asking for names of replacements of those whose term has expired. The Division III Call Schedule for 2006-07 was discussed with the first call on Tuesday, October 11, 2006.
- VII. Motion was passed to approve February Minutes.
- VIII. 10:25 motion to adjourn
